The sun is shining and Spring has officially arrived – the evenings are lighter and everything is blossoming beautifully!

The blog is fabulous and shows just how busy the children were in March, great fun was had visiting the fire station we hope you enjoy looking at the photos.

We start April by looking at 'new beginnings'; we shall also be incorporating Life Cycles into our topic, which will lead us nicely into our planting season. We are already getting the garden ready for our new crops and hope that we have a great success with our veggies this year. If anyone has grandparents, relatives or friends that would help with our "allotment" in the rear garden, we would appreciate any support – sadly our collective gardening skills do not amount to much! Our role-play area this month is a Farm Shop with real produce.

We shall also be celebrating Easter and St. George's Day on the 23<sup>rd</sup> April, so watch out for knights and dragons at nursery!

# School Leavers

If your child starts school this September, you will receive notification of your place on the 18<sup>th</sup> April. We hope that you all receive an offer that you are happy with and would be grateful if you could let us have the details of the offer for your child as soon as. This helps us when holding transition meetings with schools and collating "who is going where". Please remember that we require one month's notice of your child's final leaving date. Fees must be paid for the final month and deposits will be returned within 5 days after your child leaves. PLEASE NOTE THAT YOUR DEPOSIT CANNOT BE USED TOWARDS YOUR LAST MONTH'S FEES. **GRADUATION DAY FOR OUR LEAVERS WILL BE HELD ON THE 8<sup>TH</sup> JULY 2017**
